ORDER

A. The Court incorporates into this Order the stipulated facts set forth above and hereby adopts them as findings.

B. The Court has considered its obligation under 18 U.S.C. § 3161(h)(7)(A) to determine whether a continuance serves the ends of justice in a manner that outweighs both the public interest and the defendant's rights. The Court finds that pursuant to 18 U.S.C. §§ 3161(b) and (h)(7)(A), the ends of justice served by granting the requested continuance outweigh the best interests of the public and the defendants in a speedy indictment and trial because:

1. This delay is necessary for the reasons articulated in General Order No. 58, In Re: Coronavirus Public Emergency; denial would be likely to deny the United States reasonable time necessary for effective preparation for the return and filing of an indictment, taking into account the exercise of due diligence, 18 U.S.C. 3161(h)(7)(B)(iv); grand jury and trial preparation involves close contact with witnesses, which is inconsistent with advice from the Centers for Disease Control and may be hazardous to the health of either or both of counsel and the witnesses; additional time is necessary for defense counsel to discuss recently reviewed the evidence with the defendant, to continue to conduct his own investigation and to continue to decide whether to attempt to resolve this matter short of indictment, and if negotiations are not successful, defense

counsel would require additional time to research motions and prepare for trial taking into account the exercised of due diligence and the government would require additional time to secure a grand jury in order present for indictment given the current COVID-19 conditions, *see* 18 U.S.C. 3161(h)(7)(B)(iv).

BASED ON THE STIPULATED FACTS AND THE COURT'S RELATED FINDINGS  
IT IS HEREBY ORDERED:

A. That the time within which an indictment must be filed under the provisions of Title 18, United States Code, Section 3161(b), be enlarged to and including 30 days from the date of this Order, and that time be excluded pursuant to Title 18, United States Code, Section 3161(h)(7)(A), from the computation of the time within which an indictment must be filed under the provisions of Title 18, United States Code, Section 3161(b), because of the reasons articulated in General Order No. 58, In Re: Coronavirus Public Emergency; denial would be likely to deny all counsel reasonable time necessary for effective preparation, taking into account the exercise of due diligence, 18 U.S.C. § 3161(B)(iv); the presentation of this matter to the grand jury involves close contact with witnesses, which is inconsistent with advice from the Centers for Disease Control and may be hazardous to the health of grand jurors, prosecutors, agents, and other lay witnesses; additional time is necessary for defense counsel to discuss recently reviewed the evidence with the defendant, to continue to conduct his own investigation and to continue to decide whether to attempt to resolve this matter short of indictment, and if negotiations are not successful, defense counsel would require additional time to research motions and prepare for trial taking into account the exercised of due diligence and the government would require additional time to secure a grand jury in order present for indictment given the current COVID-19 conditions, *see* 18 U.S.C. 3161(h)(7)(B)(iv).

IT IS SO ORDERED.

Dated and entered this \_\_\_\_\_ day of September, 2020.
